

Hello Ellingsworth Residents,

Your Board of Directors (BOD) has voted to expand the number of board seats from 3 to 5 directors. This change will allow for a better shared work load across the representatives on the board, thus making it more attractive for anyone to join.

If you are interested in joining the board, please contact our Community Association Manager, JR Krisanda, and nominate yourself for consideration in the upcoming annual election on September 17th, 2019.

Updates will be forthcoming. If you cannot attend the annual meeting, please submit your Proxy form/ vote to Specialty Management. We will also allow proxy forms to be submitted at the meeting with proper identification. Proxy forms will be sent along with this final Annual Meeting Announcement, as well as posted on your website in the near future.
